

Christmas Orders 2018

Last order date 15th December

Due to limited refrigerated storage space and hours spent preparing small orders we will only be taking orders for larger items and multiples of products. This will allow us more time to prepare, produce and re stock the shop and will allow the produce to be as fresh as possible.

This system worked very well last year. We advise where possible that you purchase your pies before the 24th of December. Ready meals and ready to bake pies will be available frozen during Christmas week. We will have a range of festive products in the run up to Christmas including our own range of Christmas Cakes and Puddings so **stock up early!** Please try to help us by stocking up your freezer early, and place your Christmas orders for fresh produce before 15th December. We can fill your own dishes up until the 10th December ready for your Christmas entertaining please order early to avoid disappointment.
